

GPs on Medtech and Indici can now refer to Proactive clinics nationwide on SR.

Your patients will be supported by an integrated team of health professionals with the experience and expertise to meet their needs.

Proactive clinics have been grouped by region, making it easy for you to find local clinics.

Simply open SR, search Proactive, choose the clinic and complete the referral.

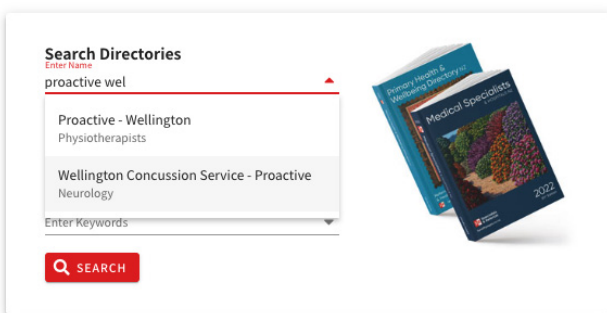

Patients will have access to:
 Physiotherapy, Occupational Therapy
 Clinical and Neuro Psychology,
 Occupational and Environmental Physicians,
 Clinical Exercise Physiologists,
 Occupational Health Nursing,
 Speech and Language Therapy,
 Social Work & Dietetics

1 Open SR

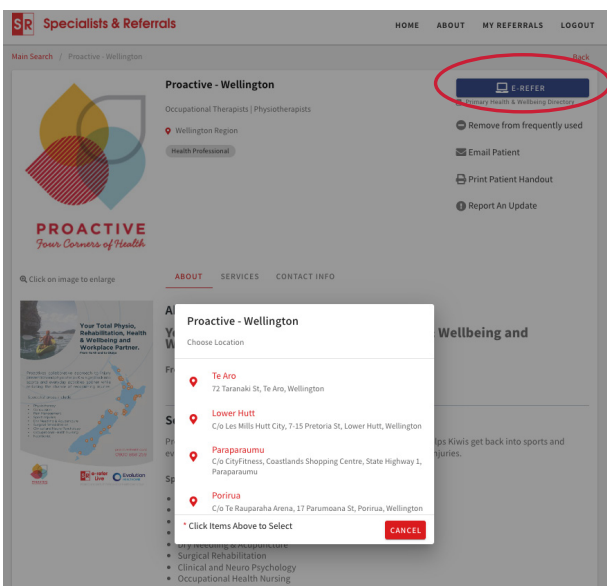

2 **Search** On the main Search type 'Proactive' and choose Proactive regional entry from the dropdown list.

HO

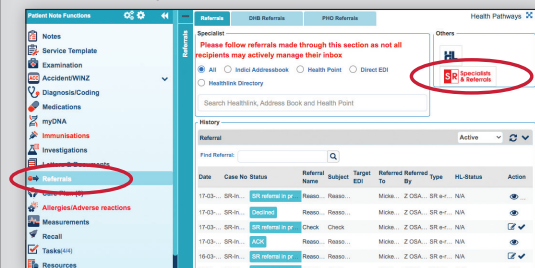

3 **Select** On the Profile page for Proactive click on the 'e-Refer' button and select the clinic

4 **Complete** the SR referral form in Medtech or Indici as usual...

How to open SR in Indici

On the patient consult screen choose:
 Referrals > Specialists & Referrals.

How to open SR in Evolution

On the main menu choose:
 Connected Care > Referrals > Specialists & Referrals.

Setup SR in Medtech 32

Click on the **Window** menu, top right of your main Medtech 32 screen and select **Tool Bar > Setup**.

Select the **SR** icon on the left-hand side and then click on the middle arrow to move this to your selected list.

SR Training and Support

+ Free hands-on training in using SR is available, just email sr-support@specialistreferrals.co.nz with your contact details and preferred time for your practice.
